

PROCESS CONTROL

Dwyer - Angle seat, ball, butterfly, check, diaphragm, globe, manifolds, needle, shuttle, solenoid zone, actuators, positioners, controllers, position indicators, strainers

MOTION CONTROL

Banner Engineering - Photoelectric, ultrasonic, fiber optic, wireless devices
Bonomi - Ball valves, butterfly valves, pneumatic & electric actuators
BST Linear Motion - Linear guides, bearings and shafting
Del-Tron - Slides, positioning stages, crosser roller tables
Encoder Products Company - Incremental & absolute encoders
Nabtesco - Cycloidal design gearboxes and moly white grease
Pacific Bearing - Linear guides and bearings
Rockford Ball Screw - Ball screws, acme screws and bearing mounts
Winsmith - 90 degree, inline planetary and worm gear reducers

PNEUMATICS

Anver - Vacuum cups, fixtures and assemblies
Canfield Connectors - Electrical connectors (DIN) and timers for solenoid valves
NoShok - Pressure and vacuum gauges, switches, transmitters, transducers, valves, seals
Rotomation - Pneumatic indexers, steppers & rotary actuators
SMC - Actuators and Cylinders - valves, compact, linear & rotary, grippers, shock absorbers, rod aligners

MACHINE VISION

Advanced Illumination - LED lighting for Machine Vision Systems and imaging
CCS America - LED lighting for Machine Vision Systems and imaging
Datalogic - Vision Sensors, Smart Cameras and Multicamera Vision Systems
Smart Vision Lights - LED lighting for Machine Vision Systems and imaging

ROBOTS

Denso Robotics - 6 axis articulated and 4 axis SCARA assembly robots
MagSwitch - Lifting magnets, pneumatic, electric & hand held operation
Zimmer Group - Robot accessories, grippers and vacuum components

SENSING I/O

Lumberg Automation - Industrial networking connectors & cables

INDUSTRIAL NETWORKING

Mencom - Cordsets, connectors, cable glands

Total Control Solutions - Flat panel computers flat panel industrial monitors & industrial computer chassis

PANEL ELECTRICAL

Altech Corporation - Enclosures, relays, panel meters & accessories, power supplies, tower lights

Amerimation - Switches, relays, enclosures, terminal blocks

International Power - Power supplies

Wöhner - Fuse holder products, midget & CC class w/indication, Class J, 30 & 60A w/ indication, Class J, 3P, 61-400A

LOGIC HMI

Autonics - Field networks, pulse/rate meters, relays, converters, indicating lights

TRU-VU LCD Monitors - SunLight readable/optically bonded, medical grade monitors, standard and custom up to 52in

MACHINE HARDWARE

Armor Tool - Clamps, bolt cutters

STRUCTURAL AL/STEEL

MayTec - Inch and metric aluminum profile extrusion for guarding, machine frames and ergonomic work stations

SiCRON - Machine bases, frames & enclosures

T-Slots - T slotted aluminum extrusion
