

### PROCESS CONTROL

**Dwyer** - Angle seat, ball, butterfly, check, diaphragm, globe, manifolds, needle, shuttle, solenoid zone, actuators, positioners, controllers, position indicators, strainers

### MOTION CONTROL

**Banner Engineering** - Photoelectric, ultrasonic, fiber optic, wireless devices  
**Bonomi** - Ball valves, butterfly valves, pneumatic & electric actuators  
**BST Linear Motion** - Linear guides, bearings and shafting  
**Del-Tron** - Slides, positioning stages, crosser roller tables  
**Encoder Products Company** - Incremental & absolute encoders  
**Nabtesco** - Cycloidal design gearboxes and moly white grease  
**Pacific Bearing** - Linear guides and bearings  
**Rockford Ball Screw** - Ball screws, acme screws and bearing mounts  
**Winsmith** - 90 degree, inline planetary and worm gear reducers

### PNEUMATICS

**Anver** - Vacuum cups, fixtures and assemblies  
**Canfield Connectors** - Electrical connectors (DIN) and timers for solenoid valves  
**NoShok** - Pressure and vacuum gauges, switches, transmitters, transducers, valves, seals  
**Rotomation** - Pneumatic indexers, steppers & rotary actuators  
**SMC** - Actuators and Cylinders - valves, compact, linear & rotary, grippers, shock absorbers, rod aligners

### MACHINE VISION

**Advanced Illumination** - LED lighting for Machine Vision Systems and imaging  
**CCS America** - LED lighting for Machine Vision Systems and imaging  
**Datalogic** - Vision Sensors, Smart Cameras and Multicamera Vision Systems  
**Smart Vision Lights** - LED lighting for Machine Vision Systems and imaging

### ROBOTS

**Denso Robotics** - 6 axis articulated and 4 axis SCARA assembly robots  
**MagSwitch** - Lifting magnets, pneumatic, electric & hand held operation  
**Zimmer Group** - Robot accessories, grippers and vacuum components

### SENSING I/O

**Lumberg Automation** - Industrial networking connectors & cables

**INDUSTRIAL NETWORKING**

**Mencom** - Cordsets, connectors, cable glands

**Total Control Solutions** - Flat panel computers flat panel industrial monitors & industrial computer chassis

**PANEL ELECTRICAL**

**Altech Corporation** - Enclosures, relays, panel meters & accessories, power supplies, tower lights

**Amerimation** - Switches, relays, enclosures, terminal blocks

**International Power** - Power supplies

**Wöhner** - Fuse holder products, midjet & CC class w/indication, Class J, 30 & 60A w/ indication, Class J, 3P, 61-400A

**LOGIC HMI**

**Autonics** - Field networks, pulse/rate meters, relays, converters, indicating lights

**TRU-VU LCD Monitors** - SunLight readable/optically bonded, medical grade monitors, standard and custom up to 52in

**MACHINE HARDWARE**

**Armor Tool** - Clamps, bolt cutters

**STRUCTURAL AL/STEEL**

**MayTec** - Inch and metric aluminum profile extrusion for guarding, machine frames and ergonomic work stations

**SiCRON** - Machine bases, frames & enclosures

**T-Slots** - T slotted aluminum extrusion
